Action Items

Michael and Jane Rammell, Water Lines –

The Rammells did not show up to speak with the Council as they had requested. Discussion followed by Council with updates on the details of the connection of the Rammell's connection. Clint reported that 3H construction, Clark Hill, would be digging up and replacing the line from the meter to the home in question. Clint suggested that while they were already digging that we should have the contractor dig up the area from the meter to the main line on the City side. The Rammells contractor is suggesting a new meter and pit to be installed as part of the service line project. A compromise was discussed to have the City pay for the meter pit, meter and lid, and to have the Rammells pay for everything else regarding their line update. A, 1" meter and corresponding pit will need to be installed to meet City standards as well as be inspected by Public Works.

Hansen moves to follow the recommendation of PW Director to replace the meter and pit while the project is in progress. Green seconds. Motion passed.
