

December 2021

Dear Tetonia friends,

December is always a busy month. December is full of activities, celebrations and parties. Schools are busy. Shopping demands are time-consuming. Family and friend commitments can be enjoyable and stressful. Many of us find our “to do” list to be never-ending. Through all of our busyness, let’s make some time to do the following:

- Let’s sit back and enjoy the beauty of our town and our surroundings. We definitely live in a winter wonderland!
- Let’s take the time to reach out to those who may be lonely or needy. Let’s extend our friendship and our bounty to our neighbors.
- Let’s take time to thank those around us for the beauty that they bring into our lives.
- Let’s take time to listen to others.
- Let’s take time to enjoy the magic of the holiday season.
- Let’s take time to smile.
- Let’s take time to share.
- Let’s take time to appreciate the blessings we have.

Wishing all of you a wonderful December!

On a more mundane side,

- Please keep a “pencil-wide” stream running from your faucet during our cold periods.
- Keep your garbage cans out of the path of the snow plows.
- Keep your cars parked out of the way of the snow plows.
- Let us know if you have any special needs during the cold and snowy days.

Be safe; be well and have a wonderful December!

Your friend,

Mayor [Brent Schindler](#)
