

January 2026

Happy New Year! I am excited to enter into a new year with new opportunities and new chapters coming soon! We had many successes in 2025; the new year will be even better!

During the past year we experienced some good and healthy improvements to our water system and our sewer system. We worked on improvement plans for our roads and our parks. We worked with the state and federal governments along with other entities to find grant money for our future projects. We had fun city activities with our Snow Plane Rally, our Easter Egg Hunt, our July Tetonia Celebrates America Event, our Gingerbread Contest, etc. We saw our library flourish; our weekly food distribution has done progressively well; our transportation, water, sewer and comprehensive plans have also progressed. We are facing the new year in a strong and healthy position.

I hope you join us for the upcoming Snow Plane Rally on January 17th. It is a fun event where we can celebrate the winter history of our valley.

There are a couple of things to remember:

- When our roads are soft and slushy, please drive carefully and slowly.
- Please keep the sides of the road clear so that we can plow as needed. – Watch for children, pets and wild animals in the roadways
- Also, when the temperatures drop below -0-, keep your water in your home running (slightly) to avoid frozen pipes.
- Keep your animals warm and contained during these cold, wintry days and nights. Our temperatures can be brutal for our furry friends.

If you are interested in helping us with our ongoing growth vision for Tetonia, let us know. We have several opportunities for input coming up. We would love to hear from you about your thoughts concerning growth.

We are excited to see Mi Casa open up on Main Street! Let's welcome them to our neighborhood!

As always, if you have any questions or concerns, please feel free to contact me at mayor83452@cityoftetonia.com.

Happy January!

Mayor Brent W. Schindler
