Email or mail statements (Circle One)

Terms and Conditions

Applicant hereby requests that the City of Tetonia (the "City") provide utility services. Applicant agrees to pay for the services at the rate, and the time and in the manner required by the City of Tetonia Municipal Code and rate resolutions of the City Council. If the provisions of this Tetonia Municipal Code conflict, the Tetonia Municipal Code shall govern. The city has the right to impose and enforce the penalties in such code for non-payment, and to change the rate at any time. The City will make reasonable efforts to notify applicant of rate changes through legal publication in the newspaper of record but the absence of receipt of such notice shall not waive the City's right to collect the new rates. The City is neither responsible nor liable to the applicant for any damage that may be caused to applicant or applicant property by any failure of the water system that occurs in the building(s) and the City water shut off valve. Similarly, the City is neither responsible nor liable for any failure of the sewer system occurring on applicant's property. The City is not liable to the applicant for the consequences, if any, of reductions or interruptions in water supply caused by construction, power failure, fire suppression, repairs, shut-off by reason of non-payment of rates, or otherwise, nor shall any of the same reduce or eliminate applicant's obligation to pay the rates. The failure to receive a bill does not diminish or eliminate applicant's obligation to pay the rates.
